

# Everything You Are

Big Daddy Weave

You are Holy  
God of the Heavens  
Almighty  
Lord of Creation  
You have power  
The universe displays  
All things fade away  
But You remain

And Your mercies stretch across my life  
As far as I can see  
And I know from experience that You are good indeed  
I stand here in amazement of your awesome majesty  
For words cannot describe oh God  
Everything You are to me

You are Father  
You called me Your very own  
My redeemer  
You left heaven's throne  
My ransom  
With blood for me You paid  
One day unashamed  
I'll see Your face

Indescribably good  
Lord that's what You are to me  
You are making me into  
Just what You want me to be

You are Jesus  
And I love You
