## For Who You Are

## **Big Daddy Weave**

Totally, completely
Entirely amazing
That the unseen has become seen
And is to me unfailing

You are the Lord, the Father of lights You are God the Keeper of my heart And I praise You, and I praise You

You are the lover of my soul You are the giver of the second start And I praise You for who You are

Seems too high for me to reach To wrap my mind around the mystery That who You are so constantly Is who you're making me to be

And who You are does not rely on What I'm currently surrounded by You're teaching me to fly Teach me to fly so high
