

Love Come To Life

Big Daddy Weave

I've been restless on the inside
Wondering about this heart of mine
I've been desperately tryin' to find
A way to prove that I'm still alive
Has the love I speak so loudly of
Quietly grown cold

Has my life been an empty voice
What I say needs to be seen
I need to step out and make the choice
To let go of everything
Would you reignite this heart spark here in the dark

Bring your love to life inside of me
Why don't you break my heart till it moves my hands and feet
For the hopeless and the broken
For the ones that don't know You love them
Bring your love to life inside of me

The generation You're calling out
Livin' everything that we sing about
A revelation right here and now
Of love beyond a shadow of a doubt
Love that's greater than our own
Won't remain unknown

When You

Bring your love to life inside of me
Why don't you break my heart till it moves my hands and feet
For the hopeless and the broken
For the ones that don't know You love them
Bring your love to life inside of me

Love come to life
Love come to life
Bring love to life inside of me

Love come to life
Love come to life
Bring love to life inside of me

Love come to life
Love come to life
Bring love to life inside of me

Love come to life
Love come to life
Bring love to life inside of me

Bring your love to life inside of me
Why don't you break my heart till it moves my hands and feet
For the hopeless and the broken
For the ones that don't know You love them
Bring your love to life inside of me

Bring your love to life inside of me

Why don't you break my heart till it moves my hands and feet
For the hopeless and the broken
For the ones that don't know You love them
Bring your love to life inside of me

Love come to life
Love come to life
Bring love to life inside of me

Love come to life
Love come to life
Bring love to life inside of me

Love come to life
Love come to life
Bring love to life inside of me

Love come to life
Love come to life
Bring love to life inside of me
