

# Wait

Big Daddy Weave

If in your sickness you are desperate to recover  
Wait a minute, wait a minute, wait a minute now  
When you're a seeker who is longing to discover  
Wait a minute, wait a minute, wait a minute now 'cause

They who wait on the Lord shall renew their strength  
They will mount up on wings, they will walk and not faint  
Seasons of this life change but God's faithfulness remains  
They who wait on the Lord shall renew their strength

When you keep asking but the answer still eludes you  
Wait a minute, wait a minute, wait a minute now  
When the anger burns and threatens to consume you  
Wait a minute, wait a minute, wait a minute now 'cause

They who wait on the Lord shall renew their strength  
They will mount up on wings, they will walk and not faint  
Seasons of this life change but God's faithfulness remains  
They who wait on the Lord shall renew their strength

So wait, wait, just wait, wait

When you've been running  
Love comes sneaking up behind you  
Hey, wait a minute now

They who wait on the Lord shall renew their strength  
They will mount up on wings, they will walk and not faint  
Seasons of this life change but God's faithfulness remains  
They who wait on the Lord shall renew their strength  
Shall renew their strength, so hurry up and wait
