

What I Was Made For

Big Daddy Weave

I used to think that I was never good enough to cut it
I bought the lines that they were selling time after time
But when You opened up my mind and I refused to shut it
You brought me to a place where I could leave it all behind

Goodbye to my old life, I don't listen to those lies anymore
You've given me new life, loving You is what I was made for

It took a while for me to see but when I finally saw it
I knew I had to leave my sorted past in the past
I couldn't get there on my own, it was Your grace that taught i
t
My sin is covered by Your blood and I'm not looking back

You saw right through me, Your kindness drew me
Your mercy knew me, You love came to me
