

When I See You

Big Daddy Weave

Look at You in all of Your splendor arrayed
Words can't describe just how beautiful You are
Look at You and all Your magnificent ways
I can't comprehend just how infinite You are

When I see You, everything is lovely
When I see You, my whole world seems to change
When I see You, there's no way I'll ever be the same
When I see You, when I see You

Look at You, You're such a compassionate friend
The world's yet to see one as faithful as You are
Look at Your mercy and grace without end
Your kindness is leading me right back to Your heart

When I see You, everything is lovely
When I see You, my whole world seems to change
When I see You, there's no way I'll ever be the same

Oh, when I see glorious, wonderful , Almighty King
You reign in power and we bow before You now
Author of majesty, the whole earth will sing of who You are
Oh, and how great You are

Look at me tremble I'm so out of place
But You draw me close
Because that's just how You are

When I see You, everything is lovely
When I see You, my whole world seems to change
When I see You, there's no way I'll ever be the same
When I see You

When I see You, everything is lovely
When I see You, my whole world seems to change
When I see You, there's no way I'll ever be the same
I will never be the same, never be the same

When I see You, when I see You
When I see You, when I see You
When I see You, when I see You
When I see You, when I see You
When I see You
