Big Drill Car

Your story lends validity to itself Scared straight brain wash bullshit maybe it'll sell But just who will buy, sorry not I All of ??? showed we just might surprise, yeah Don't even bore me with crystal's ball And in due time they rise and they fall When all this urging turned trivial Nobody, in all of the world did go Can't help but wonder if there's anything madder now To me the world seems so much sadder now Just stare straight ahead False move you're dead Over and over this is where I've been fed, yeah Don't even bore me with crystal's ball And in due time they rise and they fall When all this urging turned trivial Nobody, in all of the world did go
