

Duke Lion

Big Dumb Face

He's the son of man and God and lion
He's the one who keeps the good from dyin'
We've seen the rest, he is the best
He's the best and his name is Duke Lion
His gold sword can shoot out balls of fire
His special armor makes him never tire
His magical arrows fly like sparrows
He fights the good for free, he's not for hire
A bolt of lightning from the sky, Duke Lion
Where there is battle he will fly, Duke Lion
He's never late, he's super great
He's here to stay, so let us thank Duke Lion
Here he comes to save the day, Duke Lion
He will make the villians pay, Duke Lion
His golden sword will crush the horde
He's here to stay, so let us thank Duke Lion!
He's the son of man and God and lion
He's the one who keeps the good from dyin'
You've see the rest, he is the best
He's the best and his name is Duke Lion
