I Will Carry

Big Head Todd and the Monsters

I know I might have let you down I know it's hard to turn around But can't you just take one look at me Before you leave me dyin'? I know I might have done you wrong I might have taken all and left you none But do you blame me for living Honey nothin' lives forever I will carry you

Can you trust can you believe Life ain't what it made me to be I'm just a little shaken up I'm just a little lonely When you can't walk when you can't sleep 'Cause life get hard, things get bleak Just come my way knockin' Baby I ain't goin' nowhere I will carry you

I dreamed once of different streets A better place for you and me We were laughin' and talkin' Sunlight filled the room Now when I look behind your eyes No my dream it ain't a lie Or some story that we heard When no one else was listening I will carry you
