

Soul Children

Big Head Todd and the Monsters

We are soul children.
Children of many colors. Walkin on a big black street
We all want different things.
We are soul children
Children of Freedom. Children of rock and roll.
Children of confusion.

We are running faster, reaching higher
burning in the sun.
We are reaching farther but we have lost our
Soul Children

We are soul children.
Yes I'm a brother, yes I do believe.
We are soul children. We must rise up from the deep.
We are soul children, try to feed our families and keep
our mind free.
We are soul children, looking for a leader who'll do
everything for 'me'.

We are running faster, reaching higher
burning in the sun.
We are reaching farther but we have lost our
Soul Children

We are soul children. Yes I'm a brother.
Yes I do believe.
We are soul children. We must rise up from the deep.
We are soul children. Children of a God better than the
one on t.v.
We are soul children. We must rise up from the deep.
We can't lose our soul children.
