

## Red Sails In The Sunset

Big Joe Turner

Red sails in the sunset  
Way out on the sea  
Please carry my loved one  
Home safely to me

He sailed at the dawning  
All day I've been blue  
Red sails in the sunset  
I'm trusting in you

Swift wings you must borrow  
Make straight for the shore  
We marry tomorrow  
Then she goes sailing no more

Red sails in the sunset  
Way out on the sea  
Please carry my loved one  
Home safely to me

Swift wings you must borrow  
Make straight for the shore  
We marry tomorrow  
Then she goes sailing no more

Red sails in the sunset  
Way out on the sea  
Please carry my loved one  
Home safely to me  
Please carry my loved one  
Home safely to me
