

**5:04 AM**

**Big K.R.I.T.**

Time to rest yo eyes now I guess  
You been runnin' all day  
You've been do for some rest  
Just ain't no need to strain in yo brain any longer  
It's cool to dream no dream that made you strong  
Kept you fresh and on your toes  
Forever EQing the highs and lows  
Of today
