

It's All Up To You

Big Maceo

I'm so disgusted
An broken-hearted, too
I'm so disgusted
An broken-hearted, too
Though I'm disappointed in your love
Baby, that's alright for you

There's no need of you lyin'
Babe, you know I been good to you
Yeah, yeah
Babe, I been good to you
But if I leave you now, baby
Go an do what you wanna do

You know I had a good woman
An she was so kind an true
Yeah, good woman
An she was so kind an true
I even let her go
Baby, on account a-you

'Yes, I know'

(slow piano boogie & guitar)

'Get off-a my back, now!'

But she is willin' to forgive me
So, I leave it all up to you
Hey-ay-ay
Umm, leave it all up to you
She told me when I was leavin'
That yo' love wasn't really true.
