Ha, this how we gon do this straight up
This goes out to all you bitch ass niggaz
Feel that, know I'm saying, know I'm saying
I can't have you around me with that bitch shit
Straight up nigga, get the fuck away from me
Know I'm saying, this Noke D, Noke D's in here
Fuck whoever don't like me straight up
Run tell that, know what y'all could do for me for real

I'm a rider daddy, let a big nigga breathe You the reason why your girl, keep jocking me Got too many hands, pulling on Big Moe But ain't too many hands, that Big Moe get thoed See I was born, all by myself If it wasn't for the worst, I wonder who would be left Who really gonna hold me down When all the chips, finally hit the ground I had to stop, and look around At all these new friends, I just found Cause when I started out, singing these songs It was me, Screw and a microphone Slanging grey tapes, on Gravestone All night long, sipping pints to the dome Now I'm making hits, getting ghetto bitch Now all these hoe ass niggaz, be up on my dick

Move around
Get the fuck out my face
Move around
'Fore you make me catch a case
Move around
And get the fuck out my grill
Move around
And let a big nigga chill

See I finally realize That the whole world is in disguise And all the pain that's in my eyes Came with the fame, and all the lies And all the labels, with these deals All in my grill, telling me about scrill But Big Moe, still got deals Fuck Beverly Hills, I'm still Southsive From the cradle, to the grave To the end of my days I'm still gon get pay-ayed From the block, to the top To the last tick tock All you roaches and you rats, won't stop Hollin' what it do, claiming that you true But I got my eyes focused, on you

Move around

Get the fuck out my face

Move around

'Fore you make me catch a case

Move around

And get the fuck out my grill Move around And let a big nigga chill

Move around, beat your feet and get to walking With all that con game, and fast talking My dogs start barking, and things get ugly Touching boys up, getting rough like rugby I needs my space, so clear my atmosphere You nothing ass fools, better get from round here All up in my ear, I'm trying to holla at this broad But you riding my pitbull, like menage tois Running up on my car, wanting a contract I ain't looking for no acts, but you bout to get slapped To a coma, gone on a, get to stepping Down the yellow brick road, 'fore I pull out my weapon I done told you once, won't tell you twice Move around playboy, shake and roll like dice All that grabs handshakes, all that's fine But it's a place for everything, and partna it's about time

Move around
Fake ass niggaz, get out my face
Move around
Better move on down, 'fore I catch a case
Move around
Fake ass niggaz, get out my grill
Gotta move around
Let a playa just chill

Just chill, get out my grill Old fake ass niggaz Old faaaaake ass niggaz
