

Island Of Love

Big Mountain

I've been waiting for you a long time
I love you
Hoo...yeh-yeh

No problems, not here
On this island of love
Island we share, baby
No worries, no cares
On this island of love
All that we need is here

It's all right
To do as you please, baby, oh
It's all here
Just take what you need, baby

You'll see things you've never seen before
A summer set upon a sandy shore
Who could ever think to ask for more
Than what we have right now, oh, baby

No problems, not here
On this island of love
Island we share, baby
No worries, no cares, no, baby
On this island of love
All that we need is here

Looking out
As far as you can see
Paradise
For just you and me, baby, oh, Lord, yeh

You don't even have to close the door
Gentle breezes come and lift your soul
Lose you thoughts inside the love we know
Forever we'll be fine, oh, baby, yeh

No problems, not here
On this island of love
Island we share, baby
No worries, no cares
On this island of love
All that we need is here

Give me your love, give me your hand
And let us share the love we understand
Sweet talk to me on the ocean breeze
And take a swim right out inna de sea
And we can walk and talk a little while
Sitting on the shade and share a little smile
Make a little love in a private little style
Inna dis here island we want to stay awhile, wow

You don't even have to close the door
Gentle breezes come and lift your soul
Lose you thoughts inside the love we know

Forever we'll be fine, oh, yeh-yeh

No problems, not here, oh
On this island of love, oh
Island we share, baby
No worries, no cares
On this island of love
All that we need is here

No problems, not here
On this island of love
Island we share, baby
No worries, no cares, no, baby
