We play the front not the back, when there's beef I attack  
Grab the guns and start lighting  
Ya'll the bitch niggaz behind cars  
Scared to death like, "Yo, who fighting?"  
How the fuck you teaching me, I ain't got no obedience  
Ya'll are made of shit I'm the thug's ingredients  
And for my niggaz I peel like fucked up paint jobs

Fuck a bitch use a sock and wipe my nut what?  
Run in your spot and use a Glock to get my cut what?  
Smack you in public and embarrass you slut what?  
Put you on punishment the same way I do to my son  
And the only bullets by my stomach be the clip from my gun  
And when my gun busts it's over so close the curtains

My silencer's like ch, ch, ch like birds was chirping  
I like Boricuas ya know that Sheik be freaky  
I put coke in their peepee then stuff the bras  
Put some coke in the bras that look like coconuts

I'm well know like Al Capone, full blown like Tone Montana  
In the zone sitting on chrome stoned sipping on Champana  
Rolling ganja up in Bible paper

A high that will take us through the eyes of Christ  
John, Elijah, Jacob  
I make the kind of green that hustler's dream  
Busting out that custard cream

Piper 'cuz I'm piped up with the mustard team  
Plus the queen Fort Knox and hearts  
King of medallions Monty Guard  
Even Italians see my battalion prop the broad  
I got the squad over qualified pulling over Karl Kani  
Range Rover tilted three wilted hydraulic slide

Spark the Live in the crowd ripping through housings  
Like the Wu do in Shaolin  
John Blazing on a pound of buddha and all the mami chulas  
They want to ride on my Honda scooter  
You know the red one from the video  
But really though she ain't coming and she ain't running the  
Trizzie yo

Big dick between mine, what the fuck between your thighs?  
Pussy, if I shoot, are you gonna shoot back?  
I don't think so, your man's the thug, you ride piggy-back

You're the one that passed the gat, told your man to bust that  
You ain't making no money, you're a broke-ass cat  
And once these pop, cops bring the chalk  
And the mop to get the rest of you off the sidewalk, what
