

## Wishful Thinking

Big Punisher

What would you do if you could do the unbelievable  
Once you rule the world every girl will want to be with you  
First I get the money then I get the power  
B-Real of the hill eliminate the guitars

Thinkin' of takin' a plane  
to take a flight out to the red light  
and smuggle 10 pounds of weed  
make it home tonight  
be the number 1 smuggler in the area  
got enough weed to fill up an air craft carrier  
erb slanger, Hasila Incorporated  
state to state and over seas gettin' faded  
Buddha king had seen the green proton  
I'm bringing it on right back home to Don  
many different strains of erb in my brain  
I'm slippin' through customs in my hydro plane  
skunk and the one chocolate ty bud  
niggaz lets get high in the sky hit the blunts  
and the bongz, fill up the lungs, niggaz don't stop  
fools get sprung when they get there smoked up for crops  
like gettin' props, where all the soldiers in the board  
yo what would you do if the world was yours.

What would you do if you could do the unbelievable  
Once you rule the world every girl would want to be with you  
First I get the money then I get the power  
Joey crack twist the caps enemies I devour

Yo it's only a dream 16 battin' Beamers and Benz's  
lying penance with diamonds ill as lacin' in a face with avengances  
having blocks on in the lava parts dome  
my mankind with crime is how you shine if you can't rhyme  
dime droppers will give your fad time if you sleep  
but momma single be mastera heater on city streets  
in the east I be known as Don Cartegena  
claimin' the throne like Calderon in this heroin arena  
lacin' the china wit Menida  
to seller need repeater or be a leader  
like a preacher or presume a steeper  
peep the shit that I be on, sippin' Don  
until I'm drunk with a million in my trunk like Nikki Vons  
come on I be the top extortionist  
adopt adopted foster kids right out the motherfucking' orphanage  
yea, I do it for the youth, I'm livin' proof  
all my peeps in the streets know I speak the truth.

What would you do if you could do the unbelievable  
Once you rule the world every girl would want to be with you  
First you get the money then you get the power  
G Rap bustin' the gats slangin' last by every hour

No doubt,  
I be the crime story of all ghetto territories  
soldiers at war be blowin' up niggaz like glory  
with pharmaceutical lavatories  
major to chemistry, PHD in streetology

degree in drug industry  
combinin' H<sub>2</sub>O with matter from crack batter  
rest it through molecules scatter  
launchin' rockets to make the pocket fatter  
mind bitin' an arm starts a crime  
G equals and MC that ain't near the square son I gets mine  
but yo the kill the fill with force fields and shields  
and holy steel, a nigga keep it real  
you know the deal, if the stakes ain't to high for me to grab  
I got to have, stack all the cabbage  
from constructin' a drug traffic  
police a jam me in try to find a new pot to frame me in  
Aramians so I resort the evil thoughts like Damien  
this flame of fury to the D-A and the jury  
100 grand the judges hammer slams I'm a free man.

What would you do if you could do the unbelievable  
Once you rule the world every girl would want to be with you  
First you get the money then you get the power  
Big Pun's the same son bustin' my guns for the Dollars

Yo, I'm walkin' waters  
spit fire and shit H<sub>2</sub>en-Dazs  
idolize no man like Conan and stand beside the guards  
be larger than life, twice as nice as your idol  
pump you with pride, then guide you straight to hell like the bible  
I'm libe to start manipulatin' minds infiltratin' clown  
'm out the pitfalls of life entice with nickle plated nine  
it seems every time I'm dream I'm in a nightmare of fiend  
livin' a world of mothers and queens and men would fight fare  
Hell Yea!  
I wish I could, I wish I could  
never forget this whole damn world ain't shit I'm just a hood  
yo I change my life make my wife and get the chance for the pain  
and physical abuse, give her back her best years  
grab my chest hairs, pound my fist on the hard cement  
spark the scent, and cloud the sky till my heart's content  
repent and vow she be forgiven  
how could we be proud to live in a world  
which condemns man, child, to women  
child to women.
