

## M-E-D-L-E-Y Of The Hillbilly Jedi

Big & Rich

In my pocket, my pocket, my pocket  
I've got a little rocket, a rocket, a rocket  
I took it and I lit it, I lit it, I lit it  
And now I'm gonna fly it to the moon

In my pocket, my pocket, my pocket  
I've got a little rocket, a rocket, a rocket  
I took it and I lit it, I lit it, I lit it  
And now I'm gonna fly it to the moon with you

And if you've got a candy machine  
Won't you make something sweet and good like they do out in Hollywood  
Or maybe we could rent a penthouse suite  
Don't matter if we got no money  
It don't cost nothing to dream

I never told you I could walk on water (walk on water) but if you've  
got a quarter friends you know I'll give it a try  
And if you want to, you can take my hand (you can take my hand)  
Yeah I bet you can  
See you can walk on water with me

I ain't never gonna be afraid to say what I want to say even if it so  
unds a little crazy  
Doobily diddy, Doobily diddy, if I had a nickel every time I tried to  
tell you that I really wish that you'd be my gal  
Then we'd be rolling in the money honey on a beach and it's so sunny  
while someone is serving us Champagne  
I know it sounds a bit insane but I'm a little bit crazy for your lov  
e baby  
For your love baby  
You've got the sweetest thing but I'm not sure what it is  
I know I likes a lot of it every day  
I just likes that

Let's don't say goodbye  
When we leave tonight

Let's just make a toast to all the good times and let's start making  
plans right now for another big go round  
Say see ya later gator but let's don't say goodbye  
Don't you know say see ya later gator, let's don't say goodbye
