

Slow Motion

Big & Rich

I got a crack in my windshield,
I know exactly how it feels,
It's comin' apart the hard way,
It gets a little more shattered each day

Oh oh oh, I'm breaking in slow motion
Oh oh oh, how did it hit me so fast?
It hurts so bad, it hurts so bad
Somebody tell me how long will this last
'Cause oh oh oh, I'm breaking in slow motion

Feels like I'm frozen in a dream
I can't run, can't even scream
I'm trying to fight but I can't get my fist up
How does somebody get so messed up

Oh oh oh, I'm breaking in slow motion
Oh oh oh, how did it hit me so fast?
It hurts so bad, it hurts so bad
Somebody tell me how long will this last
'Cause oh oh oh, I'm breaking in slow motion

Let go, let go
Why can't I make myself do it
I don't know

Oh oh oh, I'm breaking slow motion
Oh oh oh, how did it hit me so fast?
It hurts so bad, it hurts so bad
Somebody tell me how long will this last
'Cause oh oh oh, I'm breaking in slow motion
Oh oh oh, I'm breaking in slow motion
