

## Downs

Big Star

Take downs  
Things sinkin' with a melody  
Someone's gonna ask if you graduated  
But as for you  
Throw down

Isolated as far as you go  
I'm well versed in the walls of worst  
In the windows of most  
Wind down

A.C.  
Coast to coast  
High cool 'cept when I lie with you  
Naked on a southern love  
Oh cool downs

Cool downs  
Wise and prosperous  
That I am  
Flustered and erratic  
'Cept when I lie with you  
Naked on a southern love  
Give downs  
Rub downs  
Lie downs  
Any downs at all  
Any downs at all
