

Femme Fatale

Big Star

Here she comes
You better watch your step
She's gonna break your heart in two
It's true

It's not hard to realize
Just look into her false colored eyes
She'll build you up to just put you down
What a clown

'Cause everybody knows
The things she does to please
She's just a little tease
See the way she walks
Hear the way she talks

You're written in her book
You're number 37, have a look
She's gonna smile to make you frown
What a clown

Little boy, she's from the street
Before you start you're already beat
She's gonna play you for a fool
Yes, it's true

Everybody knows
The things she does to please
She's just a little tease
See the way she walks
Hear the way she talks

Everybody knows
The things she does to please
She's just a little tease
See the way she walks
Hear the way she talks
