Sugar In My Coffee

I don't want no sugar in my coffee Makes me mean, it makes me mean I don't want no sugar in my coffee Makes me mean, makes me mean

If you see my woman coming Just bow your head, bow your head If you see my woman coming Well, I said bow your head

Bought me a bulldog, guards my woman When I'm gone, when I'm gone Bought me a bulldog, watch my woman When I'm gone, when I'm gone

I got a bulldog, weighs five hundred pounds In my backyard, in my backyard Got a bulldog, weighs five hundred pounds In my backyard, my backyard

And when he barks, he roar just like thunder Up in the clouds, up in the clouds Yeah, when he barks, roars just like thunder Up in the clouds, up in the clouds

I don't want no sugar in my coffee Makes me mean, it makes me mean I don't want no sugar in my coffee Makes me mean
