

Count On You

Big Tent Revival

When the day has just begun
And it's already through
I can count on you, well I can count on you
When my life's a mystery
That hasn't any clues
I can count on you, well I can count on you

When the sky falls down
Bits and pieces on the ground
And when the world goes mad
I'll see you and I'll be glad

When my blue-eyed baby turns
A deeper shade of blue
I can count on you, well I can count on you

Swimming in the ocean
Or drowning in the dew
I can count on you, well I can count on you
