

Fill Me With Your Spirit

Big Tent Revival

I remember clearly, when I received Your grace
How I prayed sincerely, as tears ran down my face
The spirit that You sent me, to open up my eyes
Seems so very distant from this world of compromise

Chorus

Jesus, fill me with Your spirit, Lord
Jesus, fill me with Your spirit, Lord
Let all creation know that I have been restored
Fill me with Your spirit, Lord

Lord I must confess my sinfulness and pride
And empty out this mess of ugliness inside
Teach me true repentance, send Your spirit, Lord
Until it's overflowing, and there's room for nothing more

Chorus

I can live on nothing less than all Your love and righteousness
!

Jesus, fill me with Your spirit, Lord
Fill me with Your spirit
