

# If Loving God Was A Crime

**Big Tent Revival**

If loving God was a crime, I'd be an outlaw  
I would join the fight, they could not shut me down  
I would stand tall for what I knew was right.  
Would you stand with me for the world to see  
When all is on the line  
Would you be ashamed of Jesus' name  
If loving God was a crime  
The schoolroom, I hear, teaches choices  
To kids who cannot pray  
And the unborn, I fear, they have no voice  
In politics today  
Take a look around.  
What will tomorrow hold?  
It's time to stand our ground.  
We must be bold!
