

Please Forgive Them

Big Tent Revival

Upon the cross of Calvary
My precious Savior died for me
And for our sin, He shed His blood
And by His love He prayed to God

Chorus

Father please forgive them, they know not what they do
I will be the sacrifice, for all they've done to You
Turn Your wrath upon me Lord, Your one and only son
Please forgive them
They know not what they've done

All the shame the Savior bore
That even God could look no more
The sins of future, now, and past
He paid it all, and breathed His last

Chorus

But the grave could not hold Him
For He that knew no sin has died and rose again
He is alive
And He stands before the King of Kings and cries

Chorus
