What I Want For Christmas

Big Tent Revival

Let me tell you what I want for Christmas Let me tell you what I want this year For the world to see the love of Jesus And put away their doubts and fears What I want for Christmas I want the world to know, Jesus That's what I want for Christmas

Hark the herald, angels sing Come on and get excited Come, see the new born King Everybody is invited

Let me tell you what I want for Christmas Let me tell you what I want this year For the world to see the love of Jesus And put away their doubts and fears What I want for Christmas I want the world to know, Jesus That's what I want for Christmas

Hey, come along with me Together we can show them They will be eternally grateful Just to know Him

Let me tell you what I want for Christmas Let me tell you what I want this year For the world to see the love of Jesus And put away their doubts and fears What I want for Christmas I want the world to know, Jesus That's what I want for Christmas
