

# Til I Forget About You

Big Time Rush

Get a call on a random afternoon  
I pick it up and I see that it's you  
Like my heart, you were breaking the news, you say  
It's over, it's over, it's over.

Heading out, cause I'm out of my mind  
All my friends are gonna see me tonight  
Staying here 'til the sun starts to rise,  
And I'm, I'm gonna, I'm gonna, I'm gonna...

Dance hard, laugh more, turn the music up now  
Party like a rockstar! Can I get a what now?  
I swear I'll do, anything that I have to  
'Til I forget about...

Jump up, fall down, gotta play it loud now  
Don't care, my head's spinning all around now  
I swear I'll do, anything that I have to...  
'Til I forget about you!

'Til I forget about you!

And you thought, I'd be here on my own  
Waiting for you to knock on my door  
Since you left I don't wait by the phone  
I'm moving, I'm moving, I'm moving  
Found a place where I can lose myself  
And just leave your memory on the shelf  
See I'm fine, no I don't need nobody else  
Cause I'm, I'm going, I'm going, I'm going...

Dance hard, laugh more, turn the music up now  
Party like a rockstar! Can I get a what now?  
I swear I'll do, anything that I have to  
'Til I forget about...  
Jump up, fall down, gotta play it loud now  
Don't care, my head's spinning all around now  
I swear I'll do, anything that I have to...  
'Til I forget about you!

Spending money like you don't mean a thing  
Going crazy, now don't even think  
I'm losing my mind, It's all I can do  
'Til I forget about you

Dance hard, laugh more, turn the music up now  
Party like a rockstar! Can I get a what now?  
I swear I'll do, anything that I have to  
'Til I forget about...

Jump up, fall down, gotta play it loud now  
Don't care, my head's spinning all around now  
I swear I'll do, anything that I have to...  
'Til I forget about you! (you)

'Til I forget about you  
'Til I forget about you

I can't forget about you!
