## **Big Time Rush**

Wait a minute before you tell me anything How was your day? 'Cause I been missing You by my side, yeah

Did I awake you out of your dream? I'm sorry but I couldn't sleep You calm me down There's something about the sound of your voice

I, I, I, I never, never, never
As far away as it may seem no
Soon we'll be together
We'll pick up right where we left off

Paris, London, Tokyo It's just one thing that I gotta do Hello, tuck you in every night on the phone Hello, tuck you in every night

And I can hardly take another goodbye Baby, won't be long You're the one that I'm waiting on Hello, tuck you in every night on the phone, woah

Girl, I'll be thinking about you worldwide, worldwide, worldwide Girl, I'll be thinking about you worldwide, worldwide, worldwide Girl, I'll be thinking about you

Yes, I may meet a million pretty girls That know my name But don't you worry, no 'Cause you have my heart

It ain't easy to keep on moving city to city Just get up and go The show must go on So I need you to be strong

I, I, I, I never, never, never
As far away as it may seem no
Soon we'll be together
We'll pick up right where we left off
