White cuts with that stitch and tuck, looking for a bitch to fuck,
Find a slut lil fifty buck, look like you need this dick to suck,
I'm truck turner pumping, with Issac Hayes roll on,
Just another pimp getting his stroll on bitch hold on,
You staring at a pimp, trying to look him in his eyes,

When You practice southballing, if you get broke don't be surprised,
Tell no lies about this macking, some win and some be loosing,
But pimping never dying cuz these hoes is steady choosing,
