

You Don't Even Know

Big Wreck

When the flash flood comes a risin'
She's got something on us all.

She's the perfect fall-behind,
She's like alcohol.

I say you don't even know, you don't even know
I say you don't even know, oh baby you don't know

Hoo hoo hoooo
Hoo hoo hoooo
Hoo hoo hoooo
Hoo hoo hoooo

If you could see what lays behind me
Would you still give it up for me
I think my wrist watch needs some winding
So wind for me.

You're the bird that sings the joy you bring
I know you don't get bored, the kind of things
I can afford to own, so baby just hold on.

I say you don't even know, you don't even know
I say you don't even know, baby you don't know.

Hoo hoo hoooo
Hoo hoo hoooo
Hoo hoo hoooo
Hoo hoo hoooo

You're the bird that sings the joy you bring
I know you don't get bored, the kind of things
I can afford to own, oooooooh!

You're the bird that sings the joy you bring
You never did get bored, the kind of things
I can afford to own, baby please hold on.

I say you don't even know, you don't even know
Oh you don't even know, baby you don't know.

Hoo hoo hoooo (you don't even know)
Hoo hoo hoooo (you don't even know)
Hoo hoo hoooo (you don't even know)
Hoo hoo hoooo (you don't even know)
Hoo hoo hoooo (you don't even know)
Hoo hoo hoooo (you don't even know)
Hoo hoo hoooo (you don't even know)
Hoo hoo hoooo (you don't even know)
