

# Bad To The Bone

Biga Ranx

Mount a crazy gal a jump up  
Pon the music that we drop  
And the way that mi nah smile  
You mus'i'ting ah robocop

Shake your coconut  
Gal shake your coconut  
Tonight you know you single  
And you nah give a fuck

Wine it pon the edge  
Wine it pon the edge

Mi is a five finger trigger  
Give you pleassure in your bed  
Gal a gi mi head gal a gi mi head  
Mi is a five finger trigger  
Give you pleassure in your bed

Bad to the bone bad to the bone  
From the gal that we wuk to the ganja that we roll  
Bad to the bone bad to the bone  
From the gal that we wuk to the ganja that we roll

I know you easy pon the treeble  
And you mad pon the bass  
And the way we kill the track you know that  
Murda is case

Wine my empress wine and impress  
Wine my empress wine and impress

You call it  
Boddy chock it out  
Boddy chock it out  
Make mi drop from the boat  
Drop from the boat  
Drop from your bumpa  
Mi say drop from the boat  
Drop from your bumpa  
Because mi bad to the bone

Bad to the bone bad to the bone  
From the gal that we wuk to the ganja that we roll  
Bad to the bone bad to the bone  
From the gal that we wuk to the ganja that we roll
