I, I, I, I like the real shit
You, you, you like the real shit
I, I, I like the real shit
Me and my crew can only bust with the real shit

We, we, we, we like the real shit You, you, you like the real shit All my peeps they like the real shit Me and my crew can only bust with the real shit

Rock many styles and never foulin'
All together we are one no doubt and
If your feelin' uncomfortable,
You can exit where you entered, baby, that's for sure
So many wild so many browsin'
Ain't no better, baby that's no doubt and
If you wanna come and rock a show
You can meet me in the center yo

La La La La
Everybody get'em high
It's the big to the bang that's why
And we won't stop
Movin', movin', La La La
Everybody get'em high
It's the big to the bang that's why
And we won't stop
Movin', movin', movin'

Closely, baby was doin' her thang to me And I was feelin' really quite lovely I can't let anyone get in the way

She told me I was all the man she ever needs Ain't no one gonna take her love from me And I believed everything taht she said

She told me everything gonna be fine Now I'm here and I'm near 'Bout to lose my mind

La La La
Everybody get'em high
It's the big to the bang that's why
And we won't stop
Movin', movin', La La La
Everybody get'em high
It's the big to the bang that's why
And we won't stop
Movin', movin', movin'

Yo, I said move it (move it), move it (move it)
We go it going on and we ain't gotta prove it
All you gotta do is get on up and hop into hit
The T. O. P is rockin' never stoppin' always down to do it
Do it, Do it,
I know you wanna just move around give it a pound

Now tell me what'cha gonna do with it We be the Big Bang ! (BIG BANG !)
Up in here !

She told me everything gonna be fine Now I'm here, yes I'm here Tell me why

La La La La Everybody get'em high It's the big to the bang that's why And we won't stop Movin', movin', La La La Everybody get'em high It's the big to the bang that's why And we won't stop Movin', movin', movin' Yeah Everybody get'em high It's the big to the bang that's why And we won't stop Movin', movin', La La La Everybody get'em high It's the big to the bang that's why And we won't stop Movin', movin', movin' Movin', movin', movin'
