

## Somebody To Luv

BigBang

Somebody to love... Somebody to love  
And I know she can hear me say  
I want somebody to love... Somebody to love  
No I won't stop until she's with me  
Oshiete hoshii What's Luv ?  
Ai tsuujirutte uwasa  
No one yet hajimete  
Kanjiru konna kanjou  
I'm falling for you twenty-four  
Mitsumeru no wa It's you  
Munasawagi How should I control my heart and soul ?

Haji wo shinon de mo Excuse me miss  
Kakushin dekinakute mo ii I got u babe  
Ore ni sukoshi demo nozomi ga aru nara  
Ima kono toki kara kokoro wo yudanete yo

Somebody to love... Somebody to love  
And I know she can hear me say  
I want somebody to love... Somebody to love  
No I won't stop until she's with me

Gee, now that I got plenty hope  
I can't wait, yo, as we go just two of us  
On and on the love zone we're takin' it in  
Doin' all the above all over again  
Move it to the kitchen, take my hand  
Be my angel - ring my bell

That's what I'm sayin' oh, I'm  
Feelin' like a million, yo  
You do make my dreams come true

Gotta let the whole world know  
Si-sit back relax no sound I'ma  
Turn that on to the break'o dawn  
Indeed yo we 'gon make it bounce..... .

Somebody to love... Somebody to love  
And I know she can hear me say  
I want somebody to love... Somebody to love  
No I won't stop until she's with me

Modokashii kimochi ga uzumaku tabi  
Mune ni tsunoru omoi ga afuredasu  
Kimi e todoku you I sing this luv song  
You need Somebody to Luv to  
Somebody to Luv you

wo aishite  
ni aisare  
to wakare doko ka de mata  
ga to meguriau naka  
Kore ga saigo no Love

Somebody to love... Somebody to love  
And I know she can hear me say

I want somebody to love... Somebody to love  
No I won't stop until she's with me
