Making your way in the world today
Takes everything you've got;
Taking a break from all your troubles
Sure would help a lot.
Wouldn't you like to get away?

Sometimes you want to go
Where everybody knows your name,
And they're always glad you came;
You want to go where you can go
People are all the same;
You want to go where everybody knows your name.
You want to go where you can go
People are all the same;
You want to go where everybody knows your name.
