Bigwig

Tears are dripping from my eyes when i think of what you've don e spoke to me about nothing but lies and now you are gone said it would be forever that you'd never go away you left my heart to whither as it crumbles to this day my life is so sinister wi thout you being here and i'll go crazy from that pain watching our love disappear holding out my hand waiting for your glip i've been waiting far too long now i'm tired of your shit.
