Where is your next show? In Honolulu Where is your next show? In Honolulu

Where is your next show?
In Honolulu
Do we get to go there for free?
Oh yes we do

But not with you Oh yes we do But not with you Oh Everett True

Where are you?
Who is gonna put in our tape-deck?
Who is gonna carry the bass-amp?
Who is gonna buy us a van?

I could be you It will come true... oh
