Bikini Kill

You don't own me
Fuck you don't own me
Fuck you don't own me
Fuck you don't own me

You don't own me
You hold me down
You hold me down
You hold me down like a magnet

And this is not all that I am
No this is not my name

I've got the love that's strong and not weak
I've got the love that's strong and not weak
