Bikini Kill

Oh baby, I want you
Your so fuckin' big
Your so big and hard
You've got such a big cock
Push it in deeper now
Oh deeper, harder
I'm almost cumming
I'm almost cumming
Oh woh woh woh woh
Sugar
I can almost reach mine now, now, now,
Sugar
I'm a self fulfilling porno queen, yeah
I mimic out your every fuckin' fantasy yeah, yeah
And now, and now in my head I'm on my knees
Oh baby
Why can't I ever get my sugar?
What are you afraid of?
Who are you afraid of?
What are you afraid of?
Who are you afraid of?
Oh woh woh woh woh woh
Sugar
I won't play girl to your boy no more
Sugar
I want mine right here right now, baby
Sugar
I can almost reach it now, now, now,
Sugar
