```
Oh baby, I want you
Your so fuckin' big
Your so big and hard
You've got such a big cock
Push it in deeper now
Oh deeper, harder
I'm almost cumming
I'm almost cumming
Oh woh woh woh
Sugar
I can almost reach mine now, now, now,
Sugar
I'm a self fulfilling porno queen, yeah
I mimic out your every fuckin' fantasy yeah, yeah
And now, and now in my head I'm on my knees
Oh baby
Why can't I ever get my sugar?
What are you afraid of?
Who are you afraid of?
What are you afraid of?
Who are you afraid of?
Oh woh woh woh woh
Sugar
I won't play girl to your boy no more
I want mine right here right now, baby
Sugar
I can almost reach it now, now, now,
Sugar
```
