Bikini Kill

This is not a test, this is not a test, this is not a test,
This is not a test
When it gets right down to the heart of the matter
When it gets right down to the bottom of it all
When it gets right down to the heart of the matter
When it gets right down to the bottom of it all
You're dumb and I'm not

I'm fat, I can't sleep
There's something following me
I'm fat, I can't cum cum
Your so blind you don't wanna see
Your fucked and I'm not

You don't make all the rules, yeah!
I know what I'm gonna fuckin do
Me and my girlfriends gonna push on thru
We are gonna stomp on you, yeah!

You're dumb, I'm not
You're fucked, I'm not
