

## Move On

Bilal

We had a love, the kind  
I thought would last forever  
I thought you would leave me never  
But I was wrong, she went away  
And took my heart with her

Oh, I gotta move on now that you're gone  
Pack my bags, pack my clothes together  
This is what I'm gonna do  
(This is what I'm gonna do)  
This is what I'm gonna do

I've been lookin' but cannot find  
Searchin' but cannot see

I've gotta move on  
Now that you're gone  
I've gotta move on  
(Be strong, gotta move on)  
Now that you're gone

Damn, B  
Looks like she got you goin' crazy

I heard a song  
That used to belong to you and me  
Now that song makes me cry so freely  
'Cause I can't stop the thought of you  
Leavin' me, babe

I used to love you but now  
I gotta give that love to someone else  
I used to be so enchanted by your presence but now  
I'm all alone, so what can I say?

I have been lookin' but cannot find  
Searchin' we cannot see

I've gotta move on  
Now that you're gone  
I've gotta move on  
(Be strong, gotta move on)  
Now that you're gone

Move on  
Move on  
Move on  
...
