Sometimes

This is a song that makes me Spill out all my guts, sometimes

Sometimes, I wish I wasn't me Sometimes, I wish I was drug free Sometimes, wish I saw the exit sign first Sometimes, wish I knew the truth without search

Sometimes, I wish I could go where I never been See what I never saw, do what I never did Or walk before I could crawl

Sometimes, I wish my eyes wasn't so red Sometimes, I wish I had breakfast in bed Sometimes, I mean it's worth it Since I did all the work last night

Sometimes, you ain't good to me, yes I am good to you and you don't see my attention The way that I do

Sometimes, hey Slim, you should be nicer than you are Sometimes, you take that complaining shit way too far I mean, I thought it was cute in the beginning but now I think you only do it 'cuz you know I hate it

Sometimes, you got me wishing I didn't have home training Sometimes, then it wouldn't hurt me so bad With dreams of knocking you in your head Then it wouldn't hurt me so bad, with our kitchen knife put up your ass

Sometimes, wish I knew life with no pain, yeah Wish I held the keys to this game Sometimes, I pretend 'cuz I'm afraid to be, 'friad to be Sometimes, I hope I live to see twenty five Sometimes, I wish I could be like Moses Round up my people, move out the ghetto and live a better life

Sometimes, I wish I didn't try so hard Sometimes, who knows truth any way They don't know nothing, who needs that approval

The sun in your hands player Move at your own pace, listen to your own mind Do your own thing, yeah, yeah I'm saying it because I love ya And I wanna grow with you, yeah, yeah

But you wanna run in the other direction So I got to stay on my path until I win, I win, I win, I win I wanna win, I wanna win, I wanna win

Sometimes, sing it with me I wish I wish in love and I wish, oh I wish I wish in peace, oh sometimes I wish in hope, I wish hope I wish true, I wish true I wish clearly, hey I wish so clearly sometimes Wish with no fear, I wish with no fear I have no fear, I have no fear

Have no doubt I have no doubt I don't doubt I don't doubt Have no doubt no, I don't doubt Have no doubt, I wish love I wish love, hey, hey

Oh some, sometimes Sometimes, sometimes
