

No I Don't Know

Bile

I can talk and talk and talk, you don't listen to what I say.
I can scream one thousand screams, you always cry, "No way!"
You are stuck in a little world, a closed mind, your fate.
The more and more you look at me, the more and more I hate.

NO I DON'T NO!

Things you do drive me up the wall,
you do them to dig into me,
hoping I will fall.

Well I have some advice for you, so as not to waste your time.
I'm coming to a boil and vengeance will be mine.

NO I DON'T NO!

Feelings of love, feelings of hate, I can't decide which one to
take.
