

Help Me Make It Through The Night

Bill Anderson

Take the ribbon from your hair
Shake it loose and let it fall
Laying soft against my skin
Like the shadows on the wall

Come and lay down by my side
Till the early morning light
All I'm taking is your time
Help me make it through the night

I don't care who's right or wrong
I won't try to understand
Let the devil take tomorrow
Lord, tonight I need a friend

Yesterday is dead and gone
And tomorrow's out of sight
And it's sad to be alone
Help me make it through the night

I can't stand to be alone
Help me make it through the night
