## **Help Me Make It Through The Night**

**Bill Anderson** 

Take the ribbon from your hair Shake it loose and let it fall Laying soft against my skin Like the shadows on the wall

Come and lay down by my side
Till the early morning light
All I'm taking is your time
Help me make it through the night

I don't care who's right or wrong I won't try to understand Let the devil take tomorrow Lord, tonight I need a friend

Yesterday is dead and gone And tomorrow's out of sight And it's sad to be alone Help me make it through the night

I can't stand to be alone
Help me make it through the night
