

I Love You Drops

Bill Anderson

They're not teardrops just sincere drops
They're I love you drops cause I love you (I love you)

They were on my pillow when I woke up this morning
They were on the letter I tried all day to write
And a little while ago I saw them falling on your picture
That I kissed goodnight

I love you drops I miss you drops
Hurry home drops you've been gone so long drops
They're not teardrops just sincere drops
That say I'm lonesome and I love you (I love you)

Never knew this heart could hurt the way it hurts for you
Never lived so many lifetimes in a week
Why don't you come back to me the way you said you would
And kiss these little crystals off my cheek

I love you drops I miss you drops
Hurry home drops you've been gone so long drops
They're not teardrops just sincere drops
That say I'm lonesome and I love you
(Hurry home) I love you (I love you)
