

# Someday We'll Be Together

Bill Anderson

Someday we'll be together  
Say it, say it, say it again  
Someday we'll be together  
Yes we will, yes we will

You're far away  
From me my love  
But just as sure my baby  
As there are stars above

Mhm, someday we'll be together  
Yes we will, yes we will  
Someday we'll be together  
Yes we will, I know we will

My love is yours, baby  
Right from the start  
You possess my very soul  
And I know, I know you own my heart

And I know that someday we'll be together  
Yes we will, yes we will  
Someday we'll be together  
Yes we will, I know we will

A long time ago, I made a big mistake  
And I said goodbye  
Ever since that day all I wanna do  
Is sit and cry

I long for you every night  
Just to kiss your sweet, sweet lips  
And hold you so tight

Mhm, someday we'll be together  
Aay it, say it, say it again  
Someday we'll be together  
Say it, say it, say it again

Someday we'll be together  
Say it, say it, say it again  
Someday we'll be together  
Yes we will
