

You Are My Story (You Are My Song)

Bill Anderson

They asked me to write a story
Describing the loveliest
Sight I've ever seen
And I wrote your name

They asked me to write a song
And set all my dreams to music
And I did I wrote it again

For you are my story, you are my song
Loving you, baby, all night long
You are my story, you are my song
Loving you, baby, all night long, all night long

No story or no song
Could ever do justice to you
And what you do for me
Every day of my life

You are my story, you are my song
Loving you, baby, all night long
You are my story, you are my song
Loving you, baby, all night long, all night long
