

You're Worth Waiting For

Bill Anderson

Someday we're gonna get away and spend some time together
Someday I'll hold you in my arms and not just my dreams
But as much as I want to love you and feel what lies in store
I don't worry, I'm in no hurry 'cause you're worth waiting for
You're like a present with a pretty ribbon shining on a birthday morn
And I'm like a little boy who can't wait to untie the bow
But until the grapes are ripened and the wine is ready to pour
I don't worry, I'm in no hurry 'cause you're worth waiting for
I can tell you're well worth waiting for
Everyday only makes me want you more
It's hard to stand outside and wait this close to heaven's door
But I don't worry, I'm in no hurry 'cause you're worth waiting for
I don't worry, I'm in no hurry 'cause you're worth waiting for
